Contract

- Month-to-month
- One year
- Two year

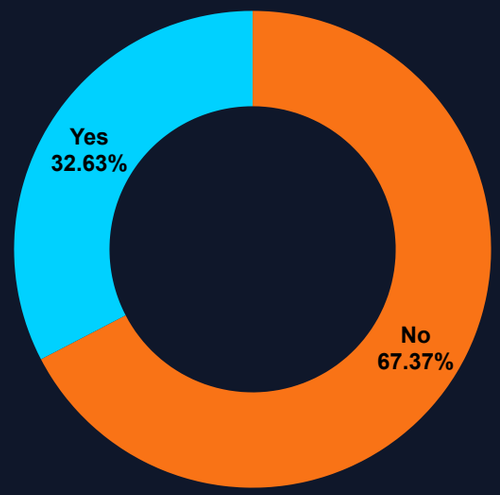
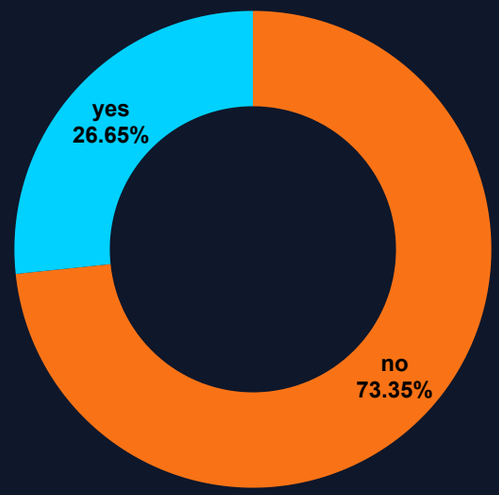
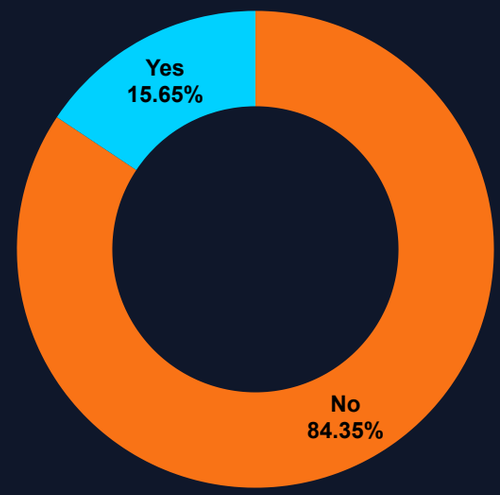
Have a Partner



Senior Citizen



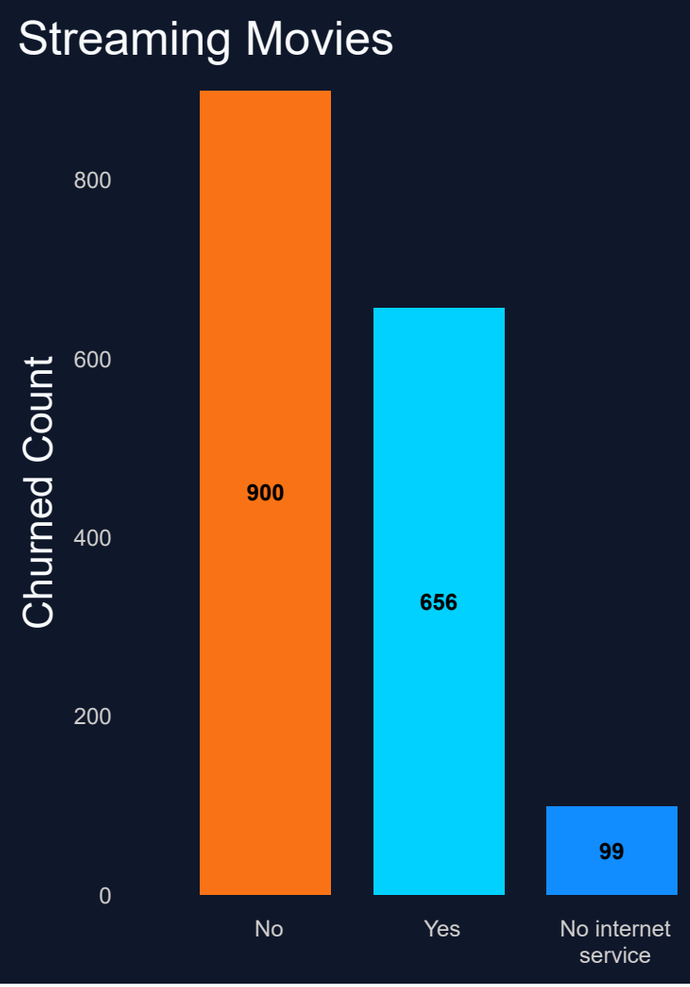
Have Dependents

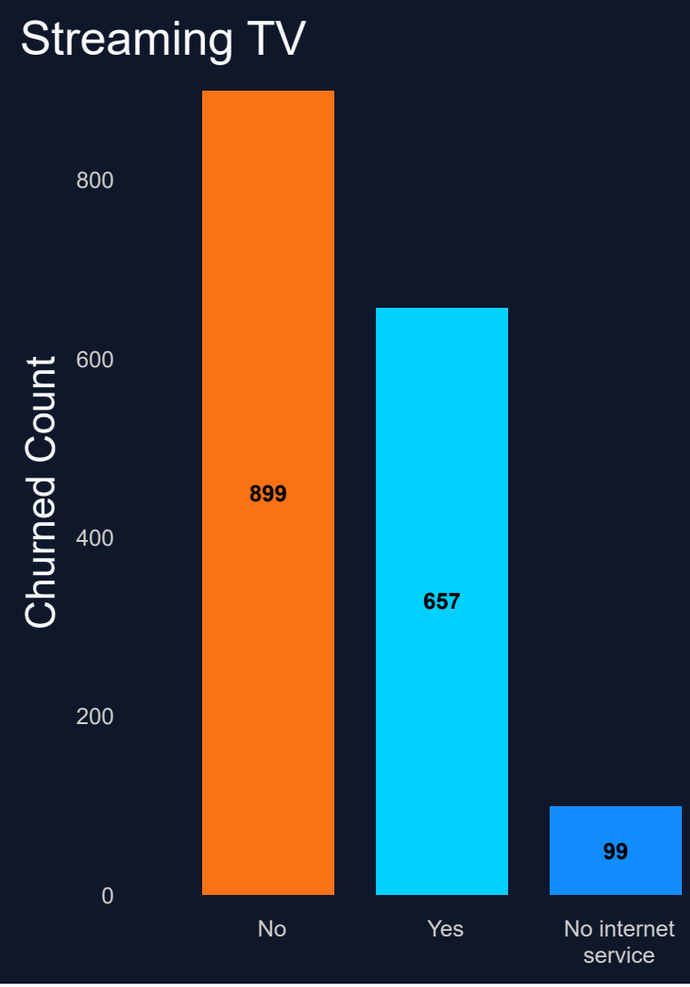


The Streaming Services Works As a Glue

Contract

- Month-to-month
- One year
- Two year





Recommendation:

Provide %10 Discount To Change The "Month To Month" Users Into "Yearly" Users Especially In The First 3 Months

Giving 90 Days As a Free Trial For Online And Streaming Services.

Making Discounts:

%10 For DSL Users.
%2 For Fiber Optic Users

18% For Non-Senior Citizen
%3 For Senior Citizen

(These Percentages Are Based On The Non Churn Average)

The Campaign Should Focus On Those Who Have No Partners, No Dependents, And Are Not Senior Citizen
